# Waking Up on the Wrong Side of the Bed?

This energetic presentation will have your group laughing at this familiar expression and learning how to overcome this feeling or state-of-mind. How often have you heard someone say, "Did you get out of bed on the wrong side?" or maybe you have said it to a co-worker or your spouse... **every morning.**

Chris explores topics that affect this state of mind such as sleep, relationships, conditioning, diet, exercise and mind prepping. He also addresses the elephants in the room, including today's distractions like social media, gaming, social interaction, and communication.

Chris offers life-changing suggestions attendees can apply to their everyday routine. Learn how to get out of bed on the **right** side to have a more productive, balanced day.

Chris turns your attendees into raving fans of *your* event.

### A veteran presenter

Over 25 years of on-stage experience to make your event **OUTSTANDING!**

All of our presentations are designed to feature interactive real-time informative surveys, polls and questions.

Ensuring your audience stays engaged and receives the most relevant information, empowering them to take effective action.

### Where'd the Time Go?

In 24 hours, you need to eat, work, play, manage relationships and more! It's easy to lose track of where your day goes. Before you can truly optimize time, you need to clearly see how you're spending it.

Chris introduces the concept of "Time Awareness Goggles", a powerful way to examine your habits, routines, and hidden time drains, which demystify the age-old question "Where'd the time Go?"

Then, Chris shows you how to turn awareness into action. You'll learn practical strategies to make better choices, structure your day with intention, and get more value out of every hour. It's a fun, insightful presentation that leaves you feeling more in control of your time and energized about how you use it.

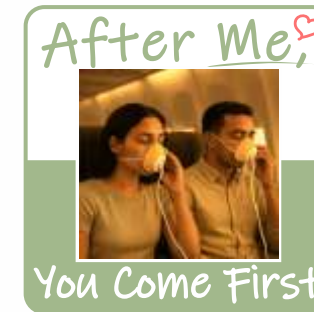

### Happiness is in the D.E.T.A.I.L.S.

You deserve to be happy and it's more within your control than you think!

Chris shows that happiness is a state of mind anyone can master, whether you're at work, with family, or even navigating the in-laws. Together, you'll break down the D.E.T.A.I.L.S. of happiness and explore practical, easy-to-use strategies that strengthen your relationships, elevate your environment, and support your mental and physical well-being.

Life is about you, your energy, and your ability to create joy from within. Learn how to make it happen and step into a version of yourself that feels lighter, more connected, and truly fulfilled.

### After Me, You Come First

Learn to balance your life without compromising yourself. Do you struggle to say no to often, have difficulty setting boundaries, or meeting everyone's expectations of you?

Chris helps you address and move past these challenges with practical, energizing strategies. Explore resource management, create a home spa, discover your personal power-ups, and prioritize your needs without guilt.

When you take care of yourself first, you will have more energy that will enable you to give more to others and get far more out of life.
